CONTINUATION:

Responding agents observed the blue Kia Sorrento pass their location, on Military Highway 281, at a high rate of speed and they contacted the Donna Police Department for assistance. Agents followed and attempted to catch up to the vehicle. The Kia Sorrento came to a stop after hitting a road sign, at the intersection of South Avenue and FM 493, puncturing a tire, at which time all occupants fled the vehicle.

Agents arrived on scene and searched the immediate area locating seven (7) subjects, five (5) of which were determined to be undocumented aliens in the United States illegally, two (2) were United States Citizens. Agents located paperwork inside the Kia Sorrento showing it was purchased by Rodriguez. Rodriguez told agents where to find the keys to the vehicle. All subjects were transported to the Weslaco Border Patrol Station for processing.

Material Witness Statements:

Two material witnesses were advised of their Miranda Rights in their preferred language. They all stated they understood their rights and were willing to provide statements without the presence of an attorney.

1. William Balmore Galdamez-Barrientos, a citizen and national of El Salvador, stated that he paid \$1400 USD to be smuggled into the United States in an attempt to go to Houston, Texas. Galdamez stated that the guide pointed to the vehicle and told them to run to it and get in. Galdamez stated that he heard both females yelling to get down. He told agents when the vehicle drove off he was scared because the driver was driving very fast and he was not wearing a seatbelt while lying in the back. After the vehicle stopped he ran from the vehicle and hid in a shed until he was arrested by Border Patrol.
2. Jose Elmer Del Cid-Mendoza, a citizen and national Honduras, stated that he made the smuggling arrangements and needed to pay \$2,000 USD when he arrived to Houston, Texas. After rafting across the Rio Grande River and walking through the brush the group he was with arrived at a levee. When they arrived, the guide leading them pointed to the only vehicle on the road and told them to run to the vehicle. He stated the vehicle was a blue sports utility vehicle they got in, he then heard a female voice tell him to get down. Del Cid stated when they took off he was laying in the back of the vehicle and not wearing a seatbelt. When the vehicle hit the curb he thought it was going to roll over and feared for his life. He fled the vehicle and hid in a metal shed where he was found by Border Patrol.
